PRESENTATION OF THE NEW KINGS LAW REPORTS (ALL SC PLUS MORE)

APART FROM ALL THE VARIOUS DYNAMISM THAT THE KLR HAS HITH-ERTO EXHIBITED, WITH EFFECT FROM JANUARY 1998, A NEW FACTOR YOU CAN'T FIND IN ANY OTHER LAW REPORTS IS BEING ADDED. WHAT IS IT?

(1) The Kings Law Reports will now start containing **novel decisions of the Court of Appeal** from the 70s to its latest novel decisions. By novel decisions, we mean those cases that either the facts or issues do not usually get to Supreme Court. For those of the CA decisions that reached the SC, we would subsequently publish the outcome where overruled to save one from citing a CA decision that is in applicable. And because sale of KLR is only in yearly sets you won't run any damage of failing to obtain the vols that contain information on an overruled judgment. On this, we call on every subscriber to write us and communicate any changes in the law/cases in case of any omission on our part. So this venture is different from mere publication of SC & CA decisions. What's more!

(2) Still publishing ALL SC (with Novel CA judgments), about 2 books will now be published every month subject to available judgments to ensure that current SC decisions get to you right on time.

(3) Copies of the publications as from 1998 are being received by all JJCA (JJSC have been receiving them) for easy citation and reference before these courts. Arrangement is also being made to have the past vols in all CA Libraries.

(4) Improved arrangement of the letters to make for easier reading.

MARK that the new price of the KLR is not an increase in price but a case of price of an enhanced product.

PAYMENT which is to be by full advance subscription shall only be made by sure cheques, bank drafts or collecting our Bank account number for your area from the agent and pay directly into our account, deliver a copy of the teller to the agent and then start receiving prompt supplies as the books are being published.

WE HAVE BEEN IN THIS PROJECT OF LAW REPORTING SINCE 1993!
